Welcome Back to School Promise Academy Penguins!

I am very excited for the 24-25 school year! At the Promise Academy, we have so much to look forward to with the construction of our much-anticipated brand-new playground completed. We have also added more engaging and interactive equipment in our sensory room. I look forward to another productive year as we all work together to ensure our students continue to grow, thrive, and reach their fullest potential.

Here is some general information to guide you as we start up the new school year:

## **School Hours:**

Monday, Wednesday, Thursday, and Friday - 7:50 am to 2:33 pm

Tuesday's are minimum days - 7:50 am to 12:05 pm

## **New Staff:**

- Scott Flowers - Occupational Therapist

The first day of school is on Tuesday, August 13, 2024. If you are unsure who your child's teacher is please call the Promise Academy and our office staff will let you know. If your student is riding the bus the first day of school we will have staff ready to support ensuring all students are escorted to their classroom.

At the Promise Academy, our mission is to ensure all our students grow to their fullest potential and thrive in their individualized and unique learning styles in a nurturing and student-centered environment.
